Hello, my name is Rami Albanna. It is very nice to meet you Mr. Smith. It looks like we are purchasing your 2020 Ford F-150, let me walk you through the process quickly.

- 1. First, we will go outside and perform a physical inspection, confirming no major flaws.
- 2. Next, we will go for a test drive. You are more than welcome to join us, during the test drive we will confirm the heater, AC, radio, windows, brakes, and engine are all functional.

		rm		

VTR-271 Rev 11/20

All sections of this form must be properly completed in order for this document to be accepted. Original signatures are required, only black or blue ink are acceptable, and no alterations are allowed on this form.

This completed and signed form grants the grantee, with full power of substitution, full power and authority to perform every act necessary and proper to purchase, transfer, and assign the legal title to the motor vehicle described on behalf of the grantor. "Full power of substitution" means that whoever is given this power of attorney may delegate that power by putting another person in his or her place by a substitute power of attorney.

This power of attorney cannot be used in a dealer transaction to complete a title assignment on a motor vehicle subject to federal odometer disclosure. In compliance with federal law, the secure Power of Attorney for Transfer of Ownership to a Motor Vehicle (Form VTR-271-A) must be used when use of a power of attorney is permitted by the applicable regulations for a vehicle subject to federal odometer disclosure.

If a power of attorney is used to apply for title, initial registration, or a certified copy of title, the grantor (person signing this form) and the grantee (person signing the application) must include a photocopy of their photo identification as required by state law.
